“Inspired by working detection dogs, K9 Nose Work® is the fun search and scenting activity for virtually all dogs and people. This easy to learn activity and sport builds confidence and focus in many dogs, and provides a safe way to keep dogs fit and healthy through mental and physical exercise. K9 Nose Work® starts with getting your dog excited about using his nose to seek out a favorite toy or treat reward hidden in one of several boxes, expanding the game to entire rooms, exterior areas, and vehicles.” (Source k9nosework.com)

“A dog can never tell you what she knows from the smells of the world, but you know, watching her, that you know almost nothing.” Mary Oliver, Dog Songs
